* [HackerSpaces Call-in 2009.06.06](#) Simon signed up to gave an update about Gumbo Labs. He covered this stuff:

- changed name from Hacker Hive to Gumbo Labs due to desire to remove hacker from the name
- field trip to Huntsville, AL, to visit the Maker's Local 256 space. inspired to form as Non-profit instead LLC. also inspired to have more open "dues" as pledges
- Houston, we see you have a space now. perhaps we could visit you in the future. Houston said "yeah come visit, when do you want to come on down?"
